

AEON

a place beyond

A PLACE WITH LOTS OF
MEANINGFULNESS

[AEON]

Vital force, being, timeless, eternity or golden era,

...that's what AEON is about!

Do not think of time or your everyday life during your stay.

It's about collecting wonderful moments and precious time with your own and your loved ones,
without questioning the value of transience and time.

BLUE

...the colour of feelings

and as opposite as our feelings themselves,

We think of the sky, the water,
to the vastness and distance, to freedom.

To a certain extent BLUE becomes to the colour
to the unreal, the mystical, but seems so familiar to us.
